*San Francisco, CA*

- Development of internal tools and processes to improve employee productivity and satisfaction.
- Vendor management, contract negotiation, RFPs, SOWs, technical writing and technical training.
- Functional requirements, feasibility assessments, scope definition, build management.
- QA scripts and test cycles, bug regression, change management, release management.

**MTV/Viacom, Sr. Interactive Producer / Project Manager** 09/2006— 09/2007

*San Francisco, CA*

- Development of internal initiatives, corporate and public sites, and media enhancements.
- Management of strategic partnerships, projects, sponsorship and advertising campaigns.
- Quality Assurance, web production, copywriting, creative direction and graphic design.
- Campaign and asset reporting, documentation of all internal processes/procedures.
- Creation and execution of cross-organization communications strategy.

**Frameline, Project, Marketing & Public Relations Manager** 01/2006 — 09/2006

*San Francisco, CA*

- Reversed and resolved negative press through conflict resolution, outreach and collaboration.
- Strategic partnership development with local community leaders and global organizations.
- Development and management of marketing campaigns (online, print, broadcast).
- Worldwide affinity development with festival directors, filmmakers and the press.
- Created a new marketing plan and organization's first true marketing department.

**Expression College, Interactive Producer / Project Manager** 03/2002 — 01/2006

*Emeryville, CA*

- Increased enrollments by 20% as a result of rebranding based on user testing and research.
- Maintained all digital projects including first CMS implementation and two major site redesigns.
- Implemented proprietary CMS including web publication process, error handling and analysis.
- Developed company tagline, articles, newsletters, online, print and broadcast campaigns.

- Managed and partnered with external vendors in large-scale Webby-nominated redesign.

## Education

- International Scrum Institute, Scrum Master Accredited Certification, 2021
- Wells Fargo Agile, Customer Experience, ADA and Compliance Training, 2018—2020
- User Experience Circuit, General Assembly, 2018
- Demandware Developer Training, 2012
- Conflict Resolution and Leadership Training, Adobe, 2011
- Co-Active Coaching Fundamentals, Coaches Training Institute, 2008
- Digital Graphic Design, Expression College for Digital Arts, 2006

## Volunteer Experience

### **Avail, an Allstate Company**, Panelist, 12/2021

*San Francisco, CA*

- Panelist in the Trans\* AMA (Ask Me Anything) presentation to increase empathy and awareness around trans\* employees and customers, fostering deeper inclusion, diversity and equity.

### **Wells Fargo**, Panelist, 05/2020

*San Francisco, CA*

- Panelist in the Empathy for People with Disabilities presentation to deepen learning around accessibility challenges and designing for accessibility. An invitation to User Experience professionals to become accessibility allies and advocates.

### **Island Cat Resources and Adoption**, Volunteer, 07/2016 — 08/2018

*Alameda, CA*

- Trapped, spayed/neutered and released feral cats, obtained veterinary services for sick and injured cats, fed and monitored feral cats / colonies, neighborhood outreach and education.

### **SF-Marin Food Bank**, Volunteer, 04/2012

*San Francisco, CA*

- Packaged and sorted food to distribute to SF Food Bank pantries which serve families in need. Worked to raise awareness and increase donations to SF Food Bank.

### **Charity Water**, Fundraiser, 10/2010

*San Francisco, CA*

- Raised funds to drill two wells and provide clean drinking water to two communities in Ethiopia. As a result, 800 people now have sustainable access to clean drinking water.

### **Pacific Center for Human Growth**, Facilitator, 08/2003 — 01/2006

*Berkeley, CA*

- Founder / community facilitator for the East Bay FTM Support Group: a place for people along the FTM / AFAB / FAAB / trans masculine spectrum, regardless of transition / questioning status, to find and foster support and community. In addition to community support, the group had film screenings centering FTM / AFAB / FAAB / trans masculine experiences, clothing swaps, knowledge and resource sharing, and transition support (including legal and medical support).
- Also founded and maintained the Bay Area FTM Brotherhood mailing list and Yahoo Group to provide online support in addition to the weekly in-person group. I also served as a panelist at a

Pacific Center training to help therapists better understand how to better serve the needs of FTM / AFAB / FAAB / trans masculine clients.

**SFSI**, Panelist, 10/2004 — 10/2006

*San Francisco, CA*

- Panelist / speaker during the gender portion of the San Francisco Sex Information Sex Educator Training, to inform and educate around the FTM / AFAB / FAAB / trans masculine identity.

**St. Anthony Foundation**, Volunteer, 03/2001

*San Francisco, CA*

- Volunteer food service worker in St. Anthony's Dining Room, feeding veterans, seniors, the working poor, homeless and low-income residents, recent immigrants, recent parolees, and the mentally and addictively ill.
